# ADVANCING AN INCLUSIVE & SUSTAINABLE FUTURE: SPOTLIGHT ON SARAWAK

This event will highlight the vital role of the financial ecosystem in transition financing, put the triple bottom line debate under the microscope and explore a range of funding models, both traditional and innovative, to support the low carbon agendas of businesses of all sizes. Gauge between what is desired versus what is realistically feasible. Draw inspiration from Sarawak's bold leadership in sustainability and local champions who are leading the charge towards net zero. Don't miss this chance to connect with a diverse pool of stakeholders, share insights and explore collaborative opportunities!
