ABOUT KNOWLEDGE@RAM

As the country's trailblazer in credit rating, RAM was entrusted with the responsibility of educating the Malaysian capital market about bonds, a relatively new and alternative form of financing in the country at that time. The aim was towards developing a knowledgeable and sophisticated bond market in Malaysia.

RAM pledged its commitment towards this entrusted role of market educator on bonds by committing significant time, financial and human resources in cultivating an enlightened and savvy debt capital market. Careful research was done continually to assess the educational needs of the market. Relevant trainings and workshops were conducted regularly for RAM's rating clients and their advisers, professionals, directors and investors alike to meet those needs. Thus, the birth of RAM's Training Division to ensure focus and the highest quality in deliverables as validation of RAM's dedication in developing an informed and sophisticated bond market in Malaysia.

Today, after more than two decades in the training business, coupled with its 30 years of credit rating experience, RAM's Training Division has conducted more than 3,000 workshops and seminars and has trained over 50,000 participants. Training programmes conducted by RAM Training do not focus solely on enhancing the technical skills of professionals but are also aimed at reinforcing and enhancing values of professionalism, integrity and creative thinking amongst the participants. The core of RAM's vocation in training is to develop human capital equipped for the impending challenges and opportunities of globalisation in the 21st century.

IN - HOUSE PROGRAMMES

RAM' public programmes listed in the training calendar can be customised and run on an in-house basis. Any specific needs and requirements can be tailored to suit your organisation's goals and objectives. Other programmes that are not listed in our training calendar can also be explored. If you wish to discuss the possibility of having an in-house programme for your organisation, please contact Ms Zurina Zulkifli at 603 - 3385 2598 or e-mail at zurina@ram.com.my.

To request for brochure(s) and for more information about the workshops, please contact:
